

- Multiple Tear-off Receipt:** for the track and trace record of the handling process.
- Level 4 Tamper Evident Tape Closure:** Maximum Security, state of the art technologies Tape.
- Easy to Use Instructions:** Help the user to prepare and seal the security bag properly.
- Special heat seal:** Wide in-set seals are used for the highest level of tamper evidence. The width of the seal yields a high strength film bond and the in-set position gives a very positive indication of possible tampering.
- Multiple Barcode & Serial Numbers for Track and Trace:** located on both the tear-off receipt and the body of the security bag, these numbers provide a tracking method from the sender to the final receiver-even with multiple transfers through an armored car system.
- Write-on Information Panel:** Prompts the user with vital information categories.
- Our website:** For more information, please visit our website.
- Dotted line at the bottom:** cut along it when you want to remove the contents.
